

METI FULL TIME

ENVIRONMENTAL HEALTH & SAFETY TECHNICIAN

M.E.T.I.'s Environmental Health & Safety Technician is an 18 week diploma program providing students with the knowledge to meet the demands for employment in the Health, Safety & Environmental sector. It meets the education requirements of Canadian Registered Safety Professionals (CRSP) designation.

CONSTRUCTION AND OILFIELD DRIVER - CLASS 3

M.E.T.I.'s Construction & Oilfield Driver - Class 3 is a six week program that exceeds a regular Class 3 program. M.E.T.I. has worked with industry professionals to ensure the program provides the knowledge requirements needed to meet the industry demands. The program includes instruction in Swamper, and Vac truck as well as certifications from various organizations such as OSSA, Enform, St John Ambulance and more.

OILFIELD AND CONSTRUCTION SKILLED LABOURER

M.E.T.I.'s Oilfield & Construction Skilled Labourer Program provides students with a competitive advantage as a skilled worker. The 5 week program includes 24 courses that will provide the student with certifications required for jobs across Canada in many industries.

SCAFFOLD ERECTOR CERTIFICATE (SAIA)

M.E.T.I.'s 240 Hour SAIA Scaffold Erector Program is the first step toward an SAIA apprenticeship to Journey Person Scaffold. The program will cover the safe erection, use, inspection, modification and the dismantling of System, Frame and Tube & Coupler Scaffolds as outlined by the Scaffolding & Access Industry Association standards for these systems.

CLASS 1 DRIVER—TRACTOR TRAILER

This is a 15 week program that provides students with the knowledge, skills and 55 hours of behind the wheel driving experience needed to meet the industry demands of a Class 1 Operator. Our program also includes OSSA Basic Safety Orientation, CSTS, H2S Alive preparing you for work coast to coast.
